Dear Sir

Can you Kindly tell me where I can obtain a copy of the book on "United States War medals" by "Bauman L. Belden 1916", and at what price, (in English money) or any other book on American medals.

And can you also Kindly say where it is possible to obtain a specimen of the American Victory medal for the War 1914-18, and at what

price, I am an amateur collector of all War medals and wish to get several from the States.

Please forgive me for troubling you.

Yours faithfully

E. Drummond Lovell

Dear Sir:-

In response to your letter of May 1st, Mr. Belden's "United States War Medals" was printed in our American Journal of Numismatics in 1916. It was also issued separately as a reprint. I can let you have the Journal containing the article for $5.00 or the reprint for $3.50, if you wish it.

I am enclosing a list of our publications which includes under No. 11 one which may interest you.

With regard to an American Victory Medal, these turn up occasionally in the pawn shops and bring from two to ten dollars depending on their condition and the number of bars attached.

Please feel that I would only be too glad if I could be of any assistance to you at any time.

Very truly yours,

Secretary.
